### General Manager Announcement.

By mutual agreement our General Manager, Steve West, is leaving the Club. His last day will be 30 April 2018. Steve has been a loyal servant to the club for nearly 8 years. He has now decided to take a break from the golfing world to go off and pursue and explore other opportunities outside of golf. He will be missed and I am sure the Board speaks for everyone in the Club in extending to Steve every good wish for the future.

Details will be announced later on the interim arrangements pending the appointment of a new General Manager.

Nick Holman  
Chairman
